1. **John Arterburn**, Colville Confederated Tribes, Anadromous Fish RM&E Subdivision Lead. B.S., Colorado State University; M.S., South Dakota State University.
2. **Casey Baldwin**, Colville Confederated Tribes, Anadromous Fish RM&E and Senior Research Scientist. B.S., Adams State College; M.S., Utah State University.
3. **Dale Bambrick**, National Marine Fisheries Service, Eastern Washington Branch Chief. B.S., Central Washington University; B.A., Central Washington University.
4. **Jeremy Cram**, Washington Department of Fish and Wildlife, Research Scientist 1. B.S., University of California, Santa Cruz; M.S., University of Washington.
5. **John Crandall**, Methow Salmon Recovery Foundation, Fisheries Biologist and Methow Monitoring Coordinator. B.A., Occidental College; M.A., Occidental College.
6. **Stephen Fortney**, Independent Consultant, Fluvial Geomorphologist. B.S., Bates College; M.S., Utah State University.
7. **Steve Hays**, Retired Fisheries Biologist, B.S., University of Washington.
8. **Dr. Tracy Hillman**, (*RTT Chair*). BioAnalysts, Senior Ecologist and CEO. B.S., Montana State University; M.S., Idaho State University; Ph.D., Idaho State University/Oregon State University.
9. **Tom Kahler**, Douglas County Public Utility District, Fisheries Biologist. B.S., University of Washington; M.S., University of Washington.
10. **Joe Lange**, Natural Resource Conservation Service, Civil Engineer. B.S., Washington State University.
11. **Keely Murdoch**, Yakama Nation, Senior Monitoring and Evaluation Biologist. B.S., Western Washington University; M.S., Central Washington University.
12. **Dr. Carlos (AKA Karl) Polivka**, USDA Forest Sciences Laboratory, Research Fish Biologist, B.S., University of California, Los Angeles; M.S., University of Oklahoma; Ph.D., University of Chicago.
13. **Brandon Rogers**, (*RTT Vice Chair*). Yakama Nation, Fisheries Biologist, B.A., Central Washington University.
14. **Kate Terrell**, U.S. Fish and Wildlife Service, Habitat Restoration and Conservation Division Chief. B.S., University of Oregon.
15. **Catherine Willard**, Chelan County PUD, Senior Fisheries Biologist. B.S., Colorado State University; M.S., University of Idaho.
16. **Justin Yeager**, National Marine Fisheries Service, Fisheries Biologist. B.S., University of Washington.

2019 Regional Technical Team		
Name	Affiliation	Expertise
John Arterburn	Colville Confederated Tribes	Habitat and fish population status and trends monitoring; habitat RM&E reporting; salmon ecology; habitat restoration evaluation and planning; project management.
Casey Baldwin	Colville Confederated Tribes	Aquatic ecology; habitat and fish population monitoring; salmon life cycle modeling; ESA recovery planning; habitat restoration prioritization.
Dale Bambrick	NOAA Fisheries	Habitat restoration planning and implementation; oversees Eastern WA NMFS habitat program; salmon ecology.
Jeremy Cram	WA Dept. Fish & Wildlife	Life cycle modeling; salmon recovery planning and implementation; habitat restoration evaluation and planning.
Steve Fortney	Terraqua, Inc.	Fluvial geomorphology; salmonid ecology; habitat restoration evaluation and planning; habitat status and trend monitoring.
John Crandall	Methow Salmon Recovery Foundation	Salmonid and lamprey ecology; habitat restoration evaluation and planning; habitat and fish monitoring.
Steve Hays	Chelan County PUD	Habitat restoration evaluation and planning; juvenile bypass development at hydro projects; salmon ecology; hatchery planning and RM&E; juvenile bypass development at hydro projects; RM&E at hydro projects.
Tracy Hillman, PhD (Chair)	BioAnalysts, Inc.	Certified ecologist; habitat restoration evaluation and planning; hatchery and habitat RM&E; fish ecology and population dynamics; subbasin planning and salmon recovery writing; modeling and statistical analysis.
Tom Kahler	Douglas County PUD	Salmon ecology; habitat restoration evaluation and planning; hatchery planning and RM&E; juvenile bypass development at hydro projects; RM&E at hydro projects.
Joe Lange	Natural Resource Conservation Service	Engineering; habitat restoration evaluation, planning, design, implementation, and monitoring.
Keely Murdoch	Yakama Nation	Salmon ecology; hatchery programs; habitat restoration evaluation.
Carlos Polivka, PhD	USFS PNW Research Lab	Salmon ecology; habitat restoration evaluation.
Brandon Rogers (Vice-chair)	Yakama Nation	Habitat restoration evaluation, planning, and implementation; project management.

Kate Terrell	U.S. Fish and Wildlife Service	Salmon ecology; habitat restoration evaluation and planning.
Catherine Willard	Chelan County PUD	Hatchery programs; habitat restoration; population genetics; fish population and habitat data.
Justin Yeager	NOAA Fisheries	Habitat restoration evaluation and planning; ESA regulatory review; forest/riparian ecology.
