1. **John Arterburn**, Colville Confederated Tribes, Anadromous Fish RM&E Subdivision Lead. B.S. Colorado State University, M.S. South Dakota State University.
2. **Casey Baldwin** (*RTT vice chairperson*), Colville Confederated Tribes, Anadromous Fish RM&E, Senior Research Scientist. B.S. Adams State College, M.S. Utah State University.
3. **Dale Bambrick**, National Marine Fisheries Service, Eastern Washington Branch Chief. B.S. Central Washington University, B.A. Secondary Education, Central Washington University.
4. **Dr. Jeremy Cram**, Washington Department of Fish and Wildlife, Research Scientist 1. B. S. Marine Biology, University of California, Santa Cruz, MS Aquatic ecology, University of Washington PhD Aquatic Ecology, University of Washington.
5. **Stephen Fortney**, Terraqua, Inc., Fluvial Geomorphologist. B.S. Geology, Bates College, M.S. Watershed Science, Utah State University.
6. **Steve Hays**, Chelan County Public Utility District, Fish and Wildlife Senior Advisor. B. S. University of Washington
7. **Dr. Tracy Hillman**, BioAnalysts, Senior Ecologist and CEO. B.S. Montana State University, M.S. Idaho State University, Ph.D. Idaho State University.
8. **Tom Kahler**, Douglas County Public Utility District, Fisheries Biologist. B.S. and M.S. University of Washington
9. **Joe Lange**, Natural Resource Conservation Service, Civil Engineer. B.S. Washington State University
10. **Keely Murdoch**, Yakama Nation, Senior Monitoring and Evaluation Biologist. B.S. Western Washington University, M.S. Central Washington University.
11. **Dr. Karl Polivka**, USDA Forest Sciences Laboratory, Research Fish Biologist, B.S. Biology, University of California, Los Angeles; M.S., Zoology, University of Oklahoma; Ph. D., Ecology and Evolution, University of Chicago.
12. **Brandon Rogers**, Yakama Nation, Fisheries Biologist, B.A. Central Washington University.
13. **Kate Terrell**, U.S. Fish and Wildlife Service, Habitat Restoration and Conservation Division Chief. B.S. University of Oregon.
14. **Mike Ward**, President/Fisheries Ecologist, Terraqua, Inc.. B.S. Fisheries Science, Humboldt State University; M.S., Fisheries Science, University of Washington.

15. **Justin Yeager**, National Marine Fisheries Service, Fisheries Biologist, B.S. Wildlife Sciences, University of Washington.

2016 Regional Technical Team		
Name	Affiliation	Expertise
John Arterburn	Colville Confederated Tribes	Habitat and fish population status and trends monitoring, Habitat RM&E reporting; salmon ecology; habitat restoration evaluation and planning; project management.
Casey Baldwin (Vice Chair)	Colville Confederated Tribes	Aquatic ecology, habitat and fish population monitoring, salmon life cycle modeling, ESA recovery planning, habitat restoration prioritization.
Dale Bambrick	NOAA Fisheries	Habitat restoration planning and implementation; oversees Eastern WA NMFS habitat program; salmon ecology.
Jeremy Cram PhD	WA Dept. Fish & Wildlife	Life cycle modeling; salmon recovery planning and implementation; habitat restoration evaluation and planning.
Steve Fortney	Terraqua, Inc.	Fluvial geomorphology; salmonid ecology; habitat restoration evaluation and planning; habitat status and trend monitoring.
Steve Hays	Chelan County PUD	Habitat restoration evaluation and planning; juvenile bypass development at hydro projects; salmon ecology; hatchery planning and RM&E; juvenile bypass development at hydro projects; RM&E at hydro projects.
Tracy Hillman PhD (Chairperson)	BioAnalysts, Inc.	Certified ecologist; habitat restoration evaluation and planning; hatchery and habitat RM&E; fish ecology and population dynamics; subbasin planning and salmon recovery writing; modeling and statistical analysis.
Tom Kahler	Douglas County PUD	Salmon ecology; habitat restoration evaluation and planning; hatchery planning and RM&E; juvenile bypass development at hydro projects; RM&E at hydro projects.
Joe Lange	Natural Resource Conservation Service	Engineering; habitat restoration evaluation, planning, design, implementation, and monitoring.
Keely Murdoch	Yakama Nation	Ecology; habitat restoration evaluation.
Karl Polivka PhD	USFS PNW Research Lab	Salmon ecology; habitat restoration evaluation.
Brandon Rogers	Yakama Nation	Habitat restoration evaluation, planning, and implementation; project management.

Kate Terrell	U.S. Fish and Wildlife Service	Salmon ecology; habitat restoration evaluation and planning.
Justin Yeager	NOAA Fisheries	Habitat restoration evaluation and planning; ESA regulatory review; Forest/riparian ecology.
Michael Ward	Terraqua, Inc.	Fisheries ecology; decision-support for fish and wildlife program managers and hydroelectric project operators; habitat restoration evaluation and planning; habitat status and trend monitoring; business and contract administration.
