Ground Rules for Decision-Making

1. A Citizen Advisory Committee member may, at any time, make a motion to move a particular project up or down on the list.
2. The Citizen Advisory Committee member making such a request must include rationale based on the citizens' review criteria.
3. The Joint Citizen Advisory Committee will then engage in discussion regarding the motion to move a project on the list.
4. After discussion, the Joint Citizen Advisory Committee will vote – approve, oppose, abstain – on the motion to move the project on the list.
5. The motion will carry upon unanimous approval by all Joint Citizen Advisory Committee Members (excluding “abstain” votes).
